

2024 3rd International Conference on Computer Engineering, Technologies and Applications

April 22-24, 2024 | Marmaris, Turkey

We are pleased to extend a warm welcome to you for the upcoming 2024 3rd International Conference on Computer Engineering, Technologies and Applications (CETA 2024), scheduled to take place from April 22-24, 2024 in the picturesque city of Marmaris, Turkey. Situated in the province of Muğla, Marmaris is renowned for its stunning port and crystal-clear waters, making it a popular destination for couples, families, and groups.

The CETA 2024 is set to be a highly anticipated event, gathering leading researchers, practitioners, and educators from around the world to exchange ideas, insights, and experiences in the field of computer engineering, technologies, and applications. This conference will provide a platform for experts from both academia and industry to share the latest research findings and trends, as well as their practical applications in these areas.

PUBLICATION

The accepted paper will be included into Conference Proceedings, which will be published in the International Conference Proceedings Series, which will be archived in Online Digital Library, and indexed by Scopus & EI Compendex, and submitted to be reviewed by Thomson Reuters Conference Proceedings Citation Index (ISI Web of Science).

SUBMISSION

Please submit Full Paper (Presentation & Publication) or Abstract (Presentation only) to Submission System:
<https://www.zmeeting.org/submission/ceta2024>

*Authors are suggested to download & use the CETA 2024 formatting template:

MS Word: <http://ceta.net/instruct8.5x11x2.doc>

LaTex: <http://ceta.net/ieee-latex-conference-template.zip>

For more details about submission, please visit <http://ceta.net/sub.html>

CALL FOR PAPER

Topics of interest include, but are not limited to:

Track 1: Software and Information Engineering

- ◆ Algorithms and Bioinformatics, Compiler Design
- ◆ Bioinformatics
- ◆ Business Information Systems
- ◆ Computer Architecture and Real time Systems
-

Track 2: Computer Theory and Technology

- ◆ Algorithms and Protocols
- ◆ Applications of Machine Learning and Deep Learning
- ◆ Cloud Computing
- ◆ Computational Statistics
-

Track 3: Data theory and key technologies

- ◆ Algorithm and Data Structure
- ◆ Big Data and Edge Computing
- ◆ Big Data and Information Quality
- ◆ Big Data Computations and Applications
-

Track 4: Computer Science and Engineering Application

- ◆ Applications of blockchain in IoT
- ◆ Applications of Blockchain Technology
- ◆ Bio-informatics
- ◆ Blockchain based applications
-

Track 5: Image analysis and processing

- ◆ Feature Selection
- ◆ Pattern Recognition
- ◆ DSP/Image Processing/Pattern Recognition/Multimedia
- ◆ Image Processing
-

For more topics, please visit at <http://ceta.net/cfp.html>

IMPORTANT DATES

Final Call	March 5, 2024
Notification Date	March 20, 2024
Registration Deadline	March 30, 2024
